

## Transfer Agreement with California Institute of the Arts and Technology

United States University (USU) has entered into a Transfer Agreement with California Institute of Arts and Technology (CIAT) a nationally recognized accredited institution operating in San Diego, California. This agreement shall be effective **September 17, 2019**.

Either party to the agreement may terminate this agreement at the close of any school year by proper written notice delivered to the Articulation Officer at USU or CIAT school official. This agreement shall remain in force for one (1) year wherein it will be reviewed for renewal every two (2) years and/or upon significant changes to either curriculum. This review may include review of program or course learning outcomes.

USU will accept CIAT graduates with an associate's degree for transfer into USU's Bachelor of Science in Information Technology. All earned credits for the degree will be accepted as a block transfer. To be considered for admission, transfer students must meet USU's general and program specific, if applicable, admission requirements.

To obtain a baccalaureate degree at United States University students are required to complete the courses outlined (or their approved equivalent) below, including any prerequisites. A minimum of 30 credits must be completed at USU in order to confer the Bachelor's degree with a minimum total semester credits equal to 120.

### *Applicants with CIAT's Associate of Applied Science in Software Development*

#### United States University

<i>Course Prefix and Title</i>	<i>Credit</i>
CIS101 IT Fundamentals	3
CNT100 Fundamentals of Networking	3
MAT241 Introduction to Probability and Statistics	3
<b>Total Prerequisite Credits</b>	<b>9</b>
<i>Course Prefix and Title</i>	<i>Credit</i>
CIS106 Computer Hardware and Systems Administration I	3
CIS110 Fundamentals of Web Systems	3
CIS205 Computer Hardware and Systems Administration II	3
CIS206 Information Assurance and Security	3
CIS310 IT Infrastructure	3
CIS330 Wireless/Mobile Computing	3
CIS340 Human Factors/Collaborative Computing	3
CIS499 Capstone	3
MAT245 Discrete Mathematics	3
<b>Total Core Credits</b>	<b>27</b>
<i>Course Prefix and Title</i>	<i>Credit</i>
Elective 1	3
Elective 2	3
<b>Total Elective Credits</b>	<b>6</b>
